Materials

- Rotational Moulded Polyethylene
- Stainless Steel cover

Colours

Marble Granite

Standard

- Other colours can be made with quantity

Features

- Polyethylene body won't dent, rust or crack easily
- Easy to maintain - no rubber trimmings to replace
- Easy to clean - just use normal detergent and water
- Stainless Steel cover prevents burnt marks from cigarettes

Options

- Available with Ashtray (A), Flat Top (F) or Top Opening (T).
- Metal inner liner is optional with some models.
