

CP-I_{Series}

T-2050

T-2150

Popular for Business and Commercial Parking Lots

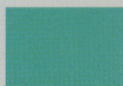

The T-2050 and T-2150 are the tallest of the CP-1 series with a maximum lift height of 1800 mm. Either model provides sufficient room for larger vehicles and when installed in multiples, is ideal for private businesses and commercial parking lots. The Key Box is a standard feature on both models.
